Pertaining to KG 2

Kindergarten Environment Week Tentative Programme 2018 – 2019.
3rd June – 7th June 2018.

Dear Parents,

Our young KG 2 Earth Ambassadors will be celebrating Environmental Week .Kindly note the programme listed below.

Programmes over the week:

1. *Best out of Waste Competition Parents versus teachers.* Submission of articles by 5th June - Judging , 6th June by dignitaries from Waste Management.
2. KG 2 student's silent march to neighbouring schools message 'A humble appeal to our peers and elders to safeguard mother Earth for us and future generations.
2 students from each class KG2 A – F) will carry placards with slogans on saving Mother Earth.
<https://www.youtube.com/watch?v=tUHZsEtJXdk> .
3. Students over the week will prepare their own best out of waste as decided by the KG teachers during class hours. Kindly send old newspapers, magazines, juice bottles, water bottles, yoghurt & ice cream containers, card board boxes, tissue boxes and shoe boxes, plastic tea leaf containers.
4. Savings (Money Box) made out of shoe box, cans, plastic containers etc. Will be made by students in class, saving at home. Bank personnel will come and open account for students after that parents will have to do the needful on a monthly basis, end of the year, student with the highest saving will be declared KG entrepreneur of the year. Criteria -the saving should be an effort by the student -foregoing burgers, chips, juice and eating healthy food. The same money to be collected in the box in addition to other ways the child has collected and saved positively.

Solicit your wholehearted support as always towards making this initiative a grand success.

Educationally Yours,

Sandra Fernandes
KG Supervisor
