

المدرسة الهندية العامة العليا – رأس الخيمة
INDIAN PUBLIC HIGH SCHOOL, RAK

CIRCULAR NO: IPHS/18-19/GEN

23rd April, 2018

Pertaining to KG 2 only

Dear Parents,

Greetings from the IPHS family!

As we follow a child centred and integrated approach, activities are an integral part of the curriculum. We deliver the curriculum to provide scope for critical thinking, learning by doing, cross- curricular links and real life application. We follow the 'Play learn and Grow 'theme. These activities will be carried out during normal school hours. Activities where parental involvement is required, you are requested to give your names one week before the activity to your child's class teacher.
