Kindergarten Reading Strategies

Dear Parent,

We, at IPHS would like to introduce the 'Kindergarten Reading Strategy' which will be delivered in two phases – Phase 1 will be covered during regular scheduled phonics & guided reading sessions in school and Phase 2 will be part of parental involvement wherein parents or elder siblings devote quality time to inculcate good reading habits through the IPHS Reads & Rewards – Raising Leaders from Readers – In Celebration of the Year of Zayed.

Moreover the 'Kindergarten Reading Strategy' is embedded in the school curriculum too.

Details of the IPHS Kindergarten Reading Strategy:

1. Phase 1 :

KG 1 & KG 2 will follow the Jolly Phonics Phase 1 to Phase 7, reading programme – all material will be provided in school. During the phonics and guided reading session. In addition KG 2 will use material from their prescribed reader. The following pathway will be followed –

- a. Establishing target words using the Jolly Phonics Phase 1-7 programme
- b. Teaching Strategy.
- c. Monitoring and charting progress.
- d. Possible extension work.
- e. Maintenance Check.

2. Phase 2 :

It is suggested that KG1 & KG 2 students could subscribe to the TMG Publication – 'Read and Rewards Programme' as leveled reading material is available for the whole year -details will be sent through circular disseminating information regarding the same.

Let us join hands to lay a strong foundation and inculcate good reading habits in our children right from kindergarten stage.

Regards,

Mrs. Sandra Fernandes.
KG Supervisor.
