

CIRCULAR NO: IPHS/18-19/GEN

7th June, 2018

Dear Parent,

On behalf of the Management, Principal and KG section this is to acknowledge the wonderful parental involvement towards the success of all the activities in Kindergarten. Especially the Solar System Models, best out of Waste Artefacts and contribution of 'Dates' during the Date Festival.

We shall notify the winners through the school calendar, and will felicitate our winners (students) by awarding certificates after the Summer Break at a special assembly conducted for the same.

Soliciting your support at all times.

Thanks & Regards,

Mrs Sandra Fernandes.

KG Supervisor.
