IPHS Caring Hearts and Helping Hands Campaign

Dear Parent ,

This is to inform you that **Ethnic Day Celebration** scheduled on **6th September 2018** has been **cancelled** in order to pledge a commitment and IPHS support towards the rebuilding of Kerala towards its former glory-God's Own Country.

A fund raising campaign '**IPHS Caring Hearts and Helping Hands**' has been organised. A detailed circular to that effect will be sent shortly. All donations collected will be forwarded through Government Agencies and Chief Minister's Distress Relief Fund.

Let us join hands as one IPHS family towards this noble humanitarian cause and support our brethren in Kerala to overcome this great calamity.

Thanking you in anticipation,

Anubha Nijhawan
Principal
