

**VISION :** To be a pioneer in education, to produce students of noble mind.

## STUDENT COUNCIL

### "IPHS CARING HEARTS AND HELPING HANDS"

The IPHS student council has organised a fund raising campaign **"IPHS CARING HEARTS AND HELPING HANDS"** to support the rebuilding of Kerala.

Unprecedented floods due to incessant rain has created havoc in the state of Kerala causing immeasurable misery and devastation to life and property. Many precious lives have been lost. Thousands of people have been rendered homeless and property worth crores have been destroyed. Besides relief work, there is daunting challenge of rehabilitation, reconstruction and restoration of infrastructure. In this hour of need, even a small contribution would go a long way towards the quick rehabilitation of those affected. The fund collected will be donated to the **'Chief Minister's Relief Fund'**. The last date for the fund collection will be **Thursday, 20<sup>th</sup> September 2018**.

**"Every little act we do for the good of others is a blessing"**. Let us stand together with Kerala to rebuild the lives of the flood affected people by our valuable contribution.

We expect your humble cooperation and support towards this noble cause.
