

CIRCULAR NO: IPHS/18-19/097

13th January, 2019

Sub: RAK TERRY FOX RUN

Dear Parents,

The RAK Terry Fox Run is here once again! IPHS is inviting you to participate in this. It is non-competitive charity event which aims to raise awareness about cancer and also serves as a fundraising event in support of cancer research under the patronage of the **RAK Emirate Ruler His Highness Sheikh Saud bin Saqr Al Qasimi**.

The Terry Fox Foundation has raised millions of dollars for cancer research worldwide. This was an incredible event last year in the local community with a an amazing turnout which was beyond expectations . The initiative was very successful, the atmosphere all around was that of love ; universal brotherhood ; an emotion of empathy prevailed too. The pledges and donations generously made by our community ensured the facilitation of valuable research in support of Cancer outreach and IPHS was proud to continue the journey of this initiative in the UAE. We are confident that the response and the benevolence of the residents of Ras al Khaimah and IPHS community this year will be greater, better and even more successful.

The Terry Fox initiative endeavours for “**a world without cancer**” and with our donations, we at pledge our solidarity towards the success of this noble cause through our whole hearted participation. The World today needs universal human values to be promoted for the sake of future generations. Hence we look forward for our **STUDENT- PARENT COMMUNITY** to be a part of this human cause.

Regards

Anubha Nijhawan
